

REMARKS

The specification was amended to correct a few typographical errors. Support for the corrections can be found in the specification as filed.

The claims were amended to reflect the election of claims 1-8, and 17-22 in the accompanying Response to Restriction Requirement; and the cancellation of claims 9-16 as drawn to a non-elected invention.

No new matter has been added by this Preliminary Amendment. Applicants respectfully request entry and consideration of the foregoing amendments. The Examiner is respectfully encouraged to telephone the undersigned if I can be of assistance to further the prosecution of this application.

Respectfully submitted,

12 July 2006
